

**SD27J – Quality School Initiative Committee  
December 19, 2013**

**Draft Agenda**

**Objectives:**

- To build agreement on how the group will work together and their purpose (Operating Protocols)
  - Brainstorm ideas, programs, and/or infrastructure needed to maintain/create a great school district
  - Build mutual understanding of:
    - o The school district – boundaries, number of schools, enrollment
    - o Capacity challenges and impacts – current capacity, challenges, deficiencies; and potential future challenges based on growth projections
-
